Place of Worship Information Survey

July 3, 2012

«AddressBlock»

Greetings,

The Indiana Department of Transportation (INDOT) continues Tier 2 environmental impact studies along the 142-mile I-69 project corridor from Evansville to Indianapolis. This corridor has been divided into six sections for Tier 2 Studies. Each section is being independently reviewed. Michael Baker Jr., Inc. is evaluating potential human and environmental impacts associated with upgrading SR 37 into I-69 in Monroe and Morgan Counties (Section 5). As shown on the enclosed Reference Map (on page 5), Section 5 is approximately 23 miles in length. It begins at SR 37 near Victor Pike (southwest of Bloomington) and continues along SR 37 to SR 39 in Martinsville. Proposed changes in access associated with each alternative are summarized on Table 1: Section 5 Access Comparison.

You have received this survey because this transportation project is being considered for your area and may affect your place of worship. The purpose of this Place of Worship Information Survey is to identify your issues and concerns. The information collected in this survey will be incorporated into the analysis of the impacts of this project on the human and natural environment. You may receive additional requests for information about how the proposed project will affect your place of worship in the future.

Please respond to each question as completely as possible. You may contact us at the number below if you have any questions about the project or would like more information about how to respond to this survey. The time you take to complete this survey and any subsequent surveys mailed to you is greatly appreciated. Please return the form to the address below no later than July 27th.

Thank you very much for your assistance.

Sincerely,
MICHAEL BAKER JR., INC.

Liberty Church Rd.	Bloomington Martinsville Ellettsville Gosport Moorseville	Martinsville	→Passenger vehicles →Delivery trucks	→No current plans but hoping to grow enough in the near future to expand facilities and staff.	→We have the majority of our 200+ weekly church attendees use SR 37 to get to Liberty Church Rd. they would have to find alternative roads but I have faith that current members would continue coming despite travel inconveniences. →It might however limit our future growth without an interchange at Liberty Church Rd.	→Again, Liberty has been a part if Martinsville for more than 175 years and plans to be so well into the future with or without an I-69 interchange. That being said, we would obviously benefit from a direct link on and off the interstate.	→Looking at the 4 access positions listed, Liberty would benefit for Alt 5,6 & 7 with no real preference of the three. →Many of our members live north and south of the church and would have an easier time getting here with an interchange. →Also, it just appears that an interchange onto Liberty Church Rd. would open up the southern part of Martinsville for additional businesses and homes (without any clear-cutting) more so than Alt 4 would. →Thanks for giving me the opportunity to make comments.

Emmanuel is a family of followers of Jesus Christ who desire to honor God by applying His Word to every area of life. Our mission is to glorify God by winning people to Jesus Christ and helping them become more devoted followers of Him. We seek to do this by growing stronger in the Lord, developing close friendships with each other, serving God together, reaching out to others with the gospel and meeting needs in our community.

Personal Notes...

Thank you to whomever gave the special gift for our Deferred Compensation Fund.
Tom and Kay Kammel

Dear Congregation of Emmanuel Baptist Church,
Thank you so much for the beautiful floral arrangement sent when Bob passed away. We truly appreciate your thoughtfulness.
In Christ, Suellen Wenz and family

Giving for Jamaica Partnership

Our Jamaica team is ready to go serve the people in Savanna-la-mar. God has provided **\$10,819.00** for our Jamaica Partnership efforts. Many of you have also participated in the Jamaica "Changer" opportunity. **Today** is the last day to give to this partnership. We appreciate all you have generously given for this ministry.

We're on Facebook and Have a Blog

One of our members, Fran Basile, who created a blog, has also designed a Facebook page. "Be the Body in Bloomington" is set up where members and friends can:

- Discover what we, as a church, are and will be doing to shine as His lights in Bloomington
- See areas where we, as a church, are meeting local needs
- Post volunteer tasks that are still in need of help
- Post needs that can be filled by the church-at-large
- Encourage one another to more good works
- Look for specific areas where an individual can help

The site is **Be the Body in Bloomington** and is located at <http://bethebodyinbloomington.blogspot.com/>

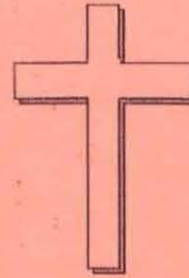

If you have questions, you may contact Fran at fpbasile@hotmail.com

Jamaica Mission Trip Prayer Reminder

Pray that we will glorify God in this endeavor and accomplish the following:

- 1) Develop a "church-to-church partnership" with **Calvary Baptist Church** of Jamaica that will include mutual accountability.
- 2) Share the claims of Christ clearly with the children and parents who will attend **Vacation Bible School** in the morning.
- 3) Meet the physical and spiritual needs of many Jamaicans through our **Eye Glass Screening Clinic**.
- 4) **Provide food and clothing** for many of the "shut-ins" in the neighborhoods surrounding Calvary Baptist.
- 5) Share the love of Christ with a Jamaican family by doing some simple **home repairs** and by painting their house.
- 6) Develop many relationships and share Christ with many people during our **Wednesday Night Movie**.
- 7) See each of the above ministries expand and become even more effective in coming years.
 - * For example, we would like to expand our Eye Screening Clinic to include more health screening opportunities.
 - * We would like our food and clothing distribution to encompass an orphanage or boys home.
 - * We would like our construction ministry to include more work at Calvary so they can complete their church.
- 8) Develop relationships that would help us **reach out to Cuba**.
- 9) Pray for each of our team members: Kendra Banion, Fran, Toddie and Joseph Basile, Lance Bettencourt, David and Mary Blemker, John Boyken, Ken and Lana Day, Perry and Chris Griffith, Gretchen, Grace, Sam and Jack Handlos, Ted and Audrey Jung, Tom, Kay, Caleb, Christian and Raeshana Kammel, Gene and Karla Pemberton, Rick and Erin Tate, Kyle Winkel and Kevin Jackson.

Crossroads Fellowship Annual Conference

The Crossroads Fellowship Annual Conference will be held at Emmanuel on September 24-25, 2012. The theme of the conference is *Shepherding the Flock of God*. Dr. Paige Patterson, president of Southwestern Baptist Theological Seminary in Fort Worth, TX, will be the speaker. Dr. Patterson will also present the message at our worship service on Sunday, September 23rd. Registration brochures are available on the Information Counter in the Foyer. For more information, please contact Pastor Doug at dschroed@indiana.edu or 812.824.2768.

Joy Of The Journey Ladies' Conference

The Crossroads Fellowship *Joy of the Journey* Ladies' Conference will be held November 3, 2012, at Bethel Church in Crown Point, IN. The theme of the conference is *A Changed Perspective Changes Everything*. The speaker will be Jan Silvius. Registration brochures are available on the Information Counter in the Foyer. For more information, please contact Chere Mosley at drivymicro@hotmail.com or 812.825.7827.

BEST OF ISRAEL TOUR

Our church is taking a trip to Israel with Ancient Tours on May 10 - 21, 2013. Our tour will be lead by two seasoned guides, Drs. Richard Blumentstock and David Hoffeditz. On Sunday morning, September 16, 2012, they will speak about the biblical significance of the land of Israel and the value of participating in this trip. Ancient Tours brochures with a copy of our itinerary are available on the information counter in the foyer. The cost for this trip \$4,800 per person. **You may register for the trip online at www.ancienttours.org.** This website also has additional information concerning their mission, the qualifications of our guides and other details about our tour. If you have any questions, please contact Pastor Doug at dschroed@indiana.edu or 812.322.9427.

Emmanuel **CONNEXION** Groups

Our hope is that these gatherings will help you “connect” with your church family, grow your relationship with God, see your prayer life energized, and allow you to become the hands and feet of Jesus to your congregation and your community.

Here is a list of Connexion Groups that meet on most 2nd and 4th Sundays from 6:00 – 7:30 PM.

Place of Worship Information Survey

July 3, 2012

Full, Gospel Tabernacle
8799 N CROSSOVER ROAD
BLOOMINGTON, IN 47404-9410

Greetings,

The Indiana Department of Transportation (INDOT) continues Tier 2 environmental impact studies along the 142-mile I-69 project corridor from Evansville to Indianapolis. This corridor has been divided into six sections for Tier 2 Studies. Each section is being independently reviewed. Michael Baker Jr., Inc. is evaluating potential human and environmental impacts associated with upgrading SR 37 into I-69 in Monroe and Morgan Counties (Section 5). As shown on the enclosed Reference Map (on page 5), Section 5 is approximately 23 miles in length. It begins at SR 37 near Victor Pike (southwest of Bloomington) and continues along SR 37 to SR 39 in Martinsville. Proposed changes in access associated with each alternative are summarized on Table 1: Section 5 Access Comparison.

You have received this survey because this transportation project is being considered for your area and may affect your place of worship. The purpose of this Place of Worship Information Survey is to identify your issues and concerns. The information collected in this survey will be incorporated into the analysis of the impacts of this project on the human and natural environment. You may receive additional requests for information about how the proposed project will affect your place of worship in the future.

Please respond to each question as completely as possible. You may contact us at the number below if you have any questions about the project or would like more information about how to respond to this survey. The time you take to complete this survey and any subsequent surveys mailed to you is greatly appreciated. Please return the form to the address below no later than July 27th.

Thank you very much for your assistance.

Sincerely,
MICHAEL BAKER JR., INC.

Weekly activities during the school year include dance classes on Monday, martial arts classes on Tuesday and Bible studies on Wednesday. In the summer, there is a weeklong VBS and a sports camp. We host Morgan County Fair contests each July and scout groups use our facilities monthly.

9. Does your facility host a preschool or childcare center, and if so, what is the approximate enrollment and what are the grades being served?

No preschool or childcare center.

10. Does your facility have outdoor facilities such as recreational fields, picnic areas, etc.?

We have a field for recreational activities beside the church and a picnic area behind the church office.

I-69 Evansville to Indianapolis Tier 2 Studies

11. Do you believe that your place of worship will be affected by the project? If your answer is yes, how do you believe it will be affected?

Yes. Since our newest facility adjacent to the church opened in 2004, we have hosted many community events, such as the annual county fair queen contest; events which bring hundreds of people throughout the area to our facility. Providing easy access is vital for allowing us to continue being a contributor to our community and beyond.

Project Impacts

18. Do you currently have plans to expand your place of worship? If yes, describe (add employees, expand or build new facility at current site) and be as specific as possible.

No current plans to expand but hoping to grow enough in the near future to expand facilities and add staff.

19. Do you believe that your place of worship will be directly or indirectly affected by the project? If yes, how do you believe you will be affected?

We have the majority of our 200-some weekly church-service attendees use Ind. 37 to get to Liberty. They would have to find alternative roads but I have faith that current members would continue coming despite travel inconveniences. It might, however, limit our future growth without an interchange onto Liberty Church Road.

a. Do you expect to gain or lose members of your congregation? *Unknown.*

b. Will access to your facility be improved or impeded? *Unknown.*

c. Will you lose or gain parking spaces? *Unknown.*

d. Please describe the effects of any adverse impacts on your ability to continue to conduct services and community outreach at your current location.

Again, Liberty has been a part of Martinsville for more than 175 and plans to be so well into the future with or without an interchange off I-69. That being said, we would obviously benefit from a direct link on and off the interstate.

20. Please review the attached table and provide your input on each of the proposed alternatives.

Other Information

21. Please provide any additional information or comments that you would like us to address. You may also attach additional sheets or a letter from your organization with your comments.

Looking at the four access positions listed, Liberty would benefit from Alternative 5, 6 and 7 with no real preference for any of those three just as long as it is one of them. Many of our members live north and south of the church and would have an easier time getting here with an interchange. Also, it just appears that an interchange onto Liberty Church Road would open up the southern part of Martinsville for additional businesses and homes (without any clearcutting) more so than Alternative 4 would.

Thanks for giving me the opportunity to make comments

Senior Minister

El Olam - where as El Elyon speaks of the most High God lifting man from sin and death and restoring Him to His rightful place in God hierarchy of positions in creation. El Olan is more of a picture of God who restores longevity of life to His creation. Himself being the prime example of what everlasting life is about. Life without beginning or ending. God in His longevity shows both His patients and love to His creation by paying their sin debt, cancelling their wages and restoring to them the law of life in Christ Jesus!

Place of Worship Information Survey

July 3, 2012

Trustees Of The Bloomington Holiness Church
2604 S Elm Leaf Drive
Bloomington, IN 47403

Greetings,

The Indiana Department of Transportation (INDOT) continues Tier 2 environmental impact studies along the 142-mile I-69 project corridor from Evansville to Indianapolis. This corridor has been divided into six sections for Tier 2 Studies. Each section is being independently reviewed. Michael Baker Jr., Inc. is evaluating potential human and environmental impacts associated with upgrading SR 37 into I-69 in Monroe and Morgan Counties (Section 5). As shown on the enclosed Reference Map (on page 5), Section 5 is approximately 23 miles in length. It begins at SR 37 near Victor Pike (southwest of Bloomington) and continues along SR 37 to SR 39 in Martinsville. Proposed changes in access associated with each alternative are summarized on Table 1: Section 5 Access Comparison.

You have received this survey because this transportation project is being considered for your area and may affect your place of worship. The purpose of this Place of Worship Information Survey is to identify your issues and concerns. The information collected in this survey will be incorporated into the analysis of the impacts of this project on the human and natural environment. You may receive additional requests for information about how the proposed project will affect your place of worship in the future.

Please respond to each question as completely as possible. You may contact us at the number below if you have any questions about the project or would like more information about how to respond to this survey. The time you take to complete this survey and any subsequent surveys mailed to you is greatly appreciated. Please return the form to the address below no later than July 27th.

Thank you very much for your assistance.

Sincerely,
MICHAEL BAKER JR., INC.
